

Way of Life!

DR-Z 50

Every Rider's First Gear.

The 2019 Suzuki DR-Z50 is the ideal way to introduce young beginning riders to the sport of motorcycling. This compact, Suzuki-built mini-bike brings ease and convenience to riders just getting started on two wheels. With an automatic clutch, three-speed transmission, electric starting, and a low 560 mm seat height, this race-styled bike will help build confidence and riding ability for young supervised riders. The 49cc engine delivers a smooth, controllable power band, and adult supervisors can adjust its power level so young riders can learn at a proper pace.

This motorcycle can be in the family for years, thanks to its rugged construction and sturdy 10-inch wheels; the Suzuki DR-Z50 combines a reliable engine with quality running gear that's built to last. The 2019 DR-Z50 is the ideal way to get your whole family involved in motorcycling!

DR-Z 50

CHAMPION YELLOW NO. 2

Key Features

POWER BAND WITH PEAK POWER

Powered by a reliable, 49cc, four-stroke engine, the DR-Z50 has plenty of torque to deliver the right level of controllable performance for a younger rider. The engine has a smooth power band with peak power that can be controlled via the adjustable throttle limiter that allows supervising adults to control engine output to suit the rider's ability.

ELECTRIC AND KICK START

Starting the DR-Z50 requires a simple push of the electric start button. Riders can also kick-start the bike, so a fun day of riding is always available.

KEYED IGNITION

Adult supervision is essential, so young riders get off to a safe and fun start to motorcycling. The DR-Z50 provides the security of a keyed ignition, so the engine can't run unless an adult has switched it on.

SPARK-ARRESTOR EQUIPPED MUFFLER

Spark-arrestor equipped muffler is environmentally friendly, yet has a pleasant exhaust note.

AGGRESSIVE STYLING

Aggressive RM-Z-inspired styling with bright yellow bodywork and matching graphics let the rider enjoy a big bike look and appeal.

AUTOMATIC CLUTCH

The easy-to-use automatic clutch smoothly transmits power through the three-speed transmission, so beginning riders learn key-shifting techniques, while discovering the joy of riding.

INVERTED FRONT FORKS

Inverted front forks have a RM-Z-inspired design to produce enjoyable riding on a variety of terrain surfaces, with 3.8 inches of front wheel travel to absorb bumps.

LOW SEAT HEIGHT

Low 560 mm seat height puts entry-level riders at ease. A slightly forward-leaning riding position allows for maximum rider mobility.

ADJUSTABLE BRAKE LEVER AND THROTTLE

Front brake lever is adjustable to fit various sized hands producing optimum control for young riders. The adjustable throttle limiter allows supervising adult to adjust throttle opening to suit the rider's ability.

START LEVER

Conveniently located on the handlebar, the choke lever provides easy accessibility to riders.
